On the first part of the journey I was lookin at all the life
There were plants & birds & rocks & things There were sand & hills & rings

The first thing I met was a fly with a buzz and the sky with no clouds
the heat was hot and the ground was dry but the air was full of sound

I've been through the desert on a horse with no name
it felt good to be out of the rain
in the desert U can remember Ur name 'cause Zere ain't no 1 4 2 give U no pain
la la la la lalala la la la la la

After two days in the desert sun my skin began to turn red
After three days in the desert fun I was looking at a river bed
And the story it told of a river that flowed made me sad to think it was dead

I've been through the desert on a horse with no name
it felt good to be out of the rain
in the desert U can remember Ur name 'cause Zere ain't no 1 4 2 give U no pain
la la la la lalala la la la la la

After 9 days I let the horse run free 'cause the desert had turned to sea
there were plants & birds & rocks & things there were sand & hills & rings
The ocean is a desert with it's life underground & the perfect disguise above
Under the cities lies a heart made of ground but the humans will give no love
